

You, Too, Can Be Well Dressed at a Moderate Expense

One of the greatest compliments you can pay a friend is to say, "She wears well."

It is because on close acquaintance she continues to be what you thought she was at the start. She stays nice.

The same thing applies to the right sort of garment. You keep on liking it—you don't tire of it. Continued every day association with it does not destroy its charm.

That's why we so strongly recommend our garments to you—each garment stays just as pleasing and satisfactory as it looked to you when you bought it.

IN WAYS THAT COUNT

When you buy your clothes here you get clothes that are not only right in the big ways, but you get clothes made right in the small ways—the little details that mean so much when the real test of hard wear brings out the weak spots.

So much may be omitted from a suit without showing on the surface, that it is almost impossible for the average man to detect these faults. Here is where

Shuman and Adler-Rochester

clothes excel. We guarantee you complete satisfaction in every way. It will pay you to come and see us before buying.

This Store is the Answer to the Fall Clothes Question

Let's take up this question of clothes for Fall. Might just as well do it now, because you are going to need some new things to wear very soon, if you don't need them now. Whether it's a Suit, Overcoat, Hat, Shirt or Neckwear, now is the time to make your selection, because you have your pick of the best when our stock is complete.

And by the way, we want to say right here, that you will search a long time before you find as good and complete a representation of the season's best ideas as style and taste as we can show you in our Fall stock of Clothing, Furnishings and Hats.

You are entitled to nothing but the best in style and quality and there is no reason why you should not have it. If you buy here, price will not prevent you from fully satisfying your good taste and judgment. We are satisfied to mark our goods as low as a reasonable profit will permit. That means that you pay as little here as you will anywhere for the same value.

Besides, you will find it just as easy and pleasant to return a purchase as it was to make it, if it isn't right. Every possible source of dissatisfaction is covered by our guaranty of money's worth or money back.

This is the Store of a Square Deal, Service and Saving Opportunities. It's your store—make the most of it.
